Content

This Business Management with Entrepreneurship course combines a broad range of academic theory in the area of business management with the latest applied thinking in the field of entrepreneurship.

This course provides modules that give you real-world experience and the option to undertake a work placement.

This will prepare you for a range of projects and careers with small, medium and large employers, or for venturing out on your own.

In your first two years you'll build a foundation in the essentials of effective business management. This foundation prepares you for the options to engage with applied learning within an industry placement, or to explore diverse cultures through studying abroad within our extensive partner network.

This course offers you excellent employability skills including professional presentation, team working, leadership, communication and problem solving.
