Pre-Apprenticeship Construction Crafts (Level 5)

North East Scotland College

Venues

Aberdeen Altens Campus
Fraserburgh Campus

Content

This course will provide you with an opportunity to progress skills in a range of construction craft occupations. Most of your time will be spent in our bright, well equipped workshops where you will practice use of tools in a range of trades such as carpentry and joinery; brickwork; painting and decorating and plumbing.

Subjects Include:
Construction skills in plumbing (Altens Campus only), bricklaying, carpentry and joinery, and painting and decorating; Health and safety awareness; Preparation for applying for full apprenticeships.
