

## Media and Communication: Production

North East Scotland College

### Venues

Aberdeen City Campus

### Content

On this course, you will develop a wide range of skills in broadcast production and theory, enhancing employability within the media and other related industries.

Based at Aberdeen City Campus you will have access to excellent facilities including a radio studio, photography studios and industry-standard post-production facilities. You will also have opportunities to collaborate with a host of other disciplines.

In previous years, students have collaborated on a range of media projects in the form of client-led briefs with high-profile clients such as the BBC.
