Philosophy and Psychological Studies

Open University in Scotland

Content

Philosophy and psychology seek to answer profound questions about ourselves and our place in the social and physical universe. This diploma explores a range of philosophical debates about ethics, justice, scientific knowledge, religion and the self. It introduces core approaches in social, cognitive and developmental psychology, and some applied aspects of professional practice. You'll learn to read and understand scientific and philosophical texts; to use different research methods; and to communicate clearly and logically.

Start Date

October, February

Qualification

DipHE

Study Method

Online learning

Course Length

Flexible

Faculty

General

Department

Arts and Humanities

Entry Requirements

No formal entry requirements. Computer and internet access required.

If you're new to study or to the OU, it is recommended that you start with a course at Level 1.

SCQF Level

8
