

## Computing and IT and Design

Open University in Scotland

### Content

This is one of several subject combinations available in the Diploma of Higher Education in Computing and IT and a second subject. With this diploma, you can specialise in an area of computing and IT and combine it with design, dividing your time equally between subjects. You'll be ready to contribute to the design of the digital electronic devices of the future.

### Start Date

Flexible

### Qualification

DipHE

### Study Method

Distance and Flexible learning
