

Design and Innovation

Open University in Scotland

Content

with this design and innovation certificate. You'll build skills in design thinking and the design process, working with inspiring study materials, online tools and practical activities. Alongside your design studies, you'll choose a complementary subject to broaden your perspective and shape your learning path. By developing creativity, collaboration and problem-solving skills, you'll prepare yourself for future roles in design or related fields. This certificate is also the first stage of our BA/BSc (Honours) Design and Innovation.

Start Date

October, February

Qualification

CertHE

Study Method

Online learning

Course Length

Flexible

Faculty

General

Department

Design, Engineering and Technology
