

## Business Management (Leadership Practice)

Open University in Scotland

### Content

What makes good leadership? What are the issues you might face in leading organisations, and how can you practice leadership in an ethical and responsible manner? In this specialist route available in the BA (Honours) Business Management degree, you will develop an interdisciplinary perspective on the management of business organisations and build specialised knowledge and skills in leadership and change management. On completion of your degree, you will be equipped with the necessary skills to use and apply leadership practices and concepts in the workplace, and will acquire a wide range of transferable management skills.
