

Computing and IT and Mathematics

Open University in Scotland

Content

This is one of several subject combinations available in our BSc (Hons) Computing & IT and a second subject (Q67). With this joint honours degree, you can specialise in an area of computing and IT and combine it with either pure mathematics or applied mathematics, dividing your time equally between subjects.

This course is accredited by BCS, the Chartered Institute for IT.

Start Date

October, February, April

Progression Routes

On successful completion of the required number and type of modules you will be awarded a Bachelor of Science (Honours) Computing and IT degree. Depending on which modules you choose the Computing and IT degree may help you to obtain professional recognition from BCS – the Chartered Institute for IT, or from the Institution of Engineering and Technology (IET). Both are professional bodies established by royal charter.
