Language Studies with German and Spanish

Open University in Scotland

Content

Studying German and Spanish together allows you to explore two major world languages and the cultures that surround them. You'll study a range of aspects relating to German and Spanish language and culture around the world, including history, current affairs and the arts, through a range of interactive materials and practical activities. You'll also develop transferable academic and digital literacy skills. On completion, you'll have a high level of modern-language proficiency and intercultural competence, making you an effective global communicator.
