

Natural Sciences (Biology)

Open University in Scotland

Content

In this specialist route available in our BSc (Hons) Natural Sciences (Q64), you'll explore diverse aspects of biology from cells to whole organisms, with further options to study subject areas such as human biology, or to explore the role of science in society. You'll develop analytical and scientific literacy skills carrying out practical work and a research project.

Start Date

October, February

Qualification

Degree

Study Method

Distance and Flexible learning

Award Title

BSc Hons

Course Length

Flexible

Faculty

General

Department

Science

Entry Requirements

Open entry. Computer and internet access required.

If you're new to study or to the OU, we recommend that you start with a course at Level 1.

SCQF Level

10

Progression Routes

Science graduates are well placed to enter a range of both scientific and non-scientific jobs. The study of science develops good analytical and numerical skills, and students also become proficient in using computers.
