

Natural Sciences (Chemistry)

Open University in Scotland

Content

In this specialist route through the BSc (Hons) Natural Sciences (Q64) degree, you'll learn about the structure, properties and reactivity of molecules, and the integral role these play in our understanding of the world about us. On completion of your degree, as well as gaining an understanding of chemistry, you'll develop analytical and scientific literacy skills carrying out practical work and a research project.

Start Date

October, February

Qualification

Degree

Study Method

Distance and Flexible learning

Award Title

BSc Hons

Course Length

Flexible

Faculty

General

Department

Science

Entry Requirements

Open entry. Computer and internet access required.

If you're new to study or to the OU, we recommend that you start with a course at Level 1.

SCQF Level

10

Progression Routes

Science graduates are well placed to enter a range of both scientific and non-scientific jobs. The study of science develops good analytical and numerical skills, and students also become proficient in using computers.
