Social Sciences (Politics)

Open University in Scotland

Content

This is one of several specialist routes available in our BA (Honours) Social Sciences. You'll study core modules in social science and sociology, giving you a firm grounding in ideas central to the social sciences. This will be combined with exploring the fundamentals of political theory and examining the debates and conflicts inherent in a modern democracy. You'll have an opportunity to focus on either international politics or contemporary political ideas. On completion of your degree, you'll be able to apply political and social theories and analytical techniques to a variety of topics that affect individuals and society.
