Social Sciences (Sociology)

Open University in Scotland

Content

This is one of several specialist routes available in our BA (Honours) Social Sciences. Alongside studying the interdisciplinary social sciences, you'll have the opportunity to explore how sociologists make sense of social worlds, investigating topical issues such as immigration, social networking, precarious work, and urban cultures. On completion of your degree, you'll be able to apply social theories and analytical techniques to a variety of topics that affect individuals and society. You'll also acquire transferable skills highly valued by employers, opening employment opportunities in private, public and voluntary sector organisations.
