

## Social Sciences (Sociology)

Open University in Scotland

### Content

This is one of several specialist routes available in the BA (Honours) Social Sciences degree. Alongside study of interdisciplinary social sciences, you'll have the opportunity to explore how sociologists make sense of social worlds, investigating topical issues such as immigration, family relationships, sex surveys and social networking.

On completion of your degree, you'll be able to apply social theories and analytical techniques to a variety of topics that affect individuals and society. You'll also acquire transferable skills highly valued by employers – opening up employment opportunities in private, public and voluntary sector organisations.
