

## Electrical and Mechanical Engineering (Advanced entry)

University of the Highlands and Islands (UHI)

### Venues

UHI Inverness  
UHI North, West and Hebrides  
UHI Perth  
Virtual Learning Environment (VLE)

### Content

The BEng (Hons) Electrical and Mechanical Engineering has been designed to meet the demand from employers for engineers who have a wide knowledge and skills base covering a range of engineering disciplines, including a sound understanding of relevant technologies and current industry practices.

On completion of the degree you will have acquired advanced levels of competence in engineering and technology, including mechanical, electrical, electronic and management skills, making you highly sought after in the job market.

The broad-based nature of this course will give you many of the necessary skills and competences required by a range of industries, including the expanding renewable energies sector.

You will also benefit from the strong links established with engineering companies across the Highlands and Islands and from the industry-related project work you will undertake.

### Start Date

September, January

### Qualification

Degree

### Study Method

Part time (day)

### Award Title

BEng Hons

### UCAS Code

H361

### Course Length

4 - 6 years

## Department

Engineering, Construction and Technology

## Entry Requirements

HNC or HND Engineering Systems

## SCQF Level

10
