Jewellery

University of the Highlands and Islands (UHI)

Venues

UHI North, West and Hebrides

Content

Immerse yourself in the supportive environment of a creative community as you carefully hone your design and jewellery-making skills.

With the beautiful Outer Hebrides as your backdrop, learn techniques such as construction, casting, and stone setting, and elevate your skills to industry standard. Set your imagination loose on practical projects, and produce considered, informed pieces that showcase your quality craftsmanship.

Modules may include:

CAD: 3D modelling; Jewellery: claw setting techniques; Jewellery: creative project for artists and designers; Jewellery: design and manufacture; Jewellery: graded unit 1; Jewellery: lost wax casting: an introduction; Jewellery: manufacturing techniques; Jewellery: mount manufacture; Jewellery: rub-over setting techniques; Silversmithing: an introduction.
