Content

The BA (Hons) Business and Management degree is a high quality, broad-based business and management qualification that will introduce you to all aspects of today's modern business. This course will equip you with all the skills you will need for a career in management.

Two routes to the honours degree are available. At Inverness College UHI, you will follow the CertHE, DipHE, degree and honours route. At other campuses, you will follow the HN route, with the first and second year being HNC/D Business, before progressing to the degree and honours years.
