

## Cabin Crew and Airport Operations

Edinburgh College

### Venues

Granton Campus

### Content

As Scotland's capital college we are excited to offer this brand new course focused on developing and enhancing the knowledge and skills required for gaining employment within the growing aviation sector.

You will study a variety of subjects from working as Cabin Crew and Airport Ground Operations to learning about how to deliver excellent customer care and preparing you for the selection process. This course is focused on the operation of airlines both on the ground and in the air.

Much of your practical learning will be carried out in our simulated aircraft classroom.

Content: Airport Ground Operations; Working as Air Cabin Crew; Air Travel Reservations; Customer Care in the Aviation Industry; Global Airline Destination geography; Preparation for Employment for Air Cabin Crew and Passenger Service Agents.

### Start Date

August
