Sound Production (2nd year entry)

Forth Valley College

Venues

Stirling Campus

Content

Forth Valley College welcomes applications from students wishing to undertake the second year of the HND in Sound Production. This is a fantastic opportunity for students to continue their studies in a state-of-the-art facility that boasts good articulation links with leading universities. As well as completing seven core units, candidates have the ability to choose an optional unit, which allows them to focus on a particular area of specialist interest within sound production.

Content:
Skills for Mastering & Final Format Production; Digital Audio Workstations; Spatial Recording and Reproduction; Professional Development Project; Independent Studio Project; Location Recording; A selected optional unit from: Foley and ADR, Creative Music Remixing and Game Audio.
