

Access to Health and Social Care

Ayrshire College

Venues

Ayr Campus
Kilmarnock Campus
Kilwinning Campus

Content

This course gives you a good introduction to what you'll need to know and understand to work successfully in a care practice setting. The focus is on understanding why people use care services, and developing your skills to support the health and wellbeing of others.

Throughout the course, you'll hear from a range of guest speakers, including people from the health board, local care services and the police.
