Content

This course has been launched to extend a great opportunity for trainee directors.

Working in the heart of the festival city, there will be time to work with actors on all years of the BA Acting & English and the BA Acting for Stage & Screen courses.

You'll be working on contemporary and classic texts and alongside trainee playwrights to create new work.

You'll have dedicated industry-recognised mentors providing support throughout your training time and you'll be studying in one of the most culturally-vibrant cities in the world.

The two-year duration gives you time to truly develop skills and creativity, and also allows you to network and build relationships with actors and writers who can make an impact on your career after you graduate.
