

Journalism

Edinburgh Napier University

Venues

Merchiston Campus

Content

This course offers a dynamic, practice-focused multimedia programme, closely linked to industry. We combine traditional methods with new and developing technologies to train you in multimedia journalism.

You'll learn a range of practical skills and leave with reporting and production expertise for print, online, magazine, television and radio. You'll also develop an understanding of social media and convergence issues.

You'll learn through practical experience, both in our news rooms and on an industry placement and we also support you in getting your work published and broadcast.

Subjects include:

Radio Bulletins; Media Law and Regulation for Journalists; New Writing; TV and Multimedia News; Journalism, Information & Society; Magazine Publishing; Major Project.
