Content

The SVQ Health and Social Care at SCQF Level 9 (Adults) is mandatory for those people who are employed in senior and/or management positions within the adult care sector. It is a requirement of Scottish Social Services Council that people involved in adult care at a senior level have achieved, or are working towards, this qualification.

Mandatory subjects include:

Develop and maintain healthy and safe practices in the workplace; Continuing professional development of self and others; Promote and maintain effective systems for communication; Promote the well-being and protection of all individuals.

You will also study four optional units.
