

Electrical Engineering

North East Scotland College

Venues

Aberdeen Altens Campus
Fraserburgh Campus

Content

This course will introduce you to the principles and applications of electrical engineering. It is aimed at those who may have been out of education for some time, or those who want to boost their qualifications in order to pursue a successful career in the field of electrical engineering.

Please note that Year 2 of this course must be successfully completed in order to complete the full award. Completion of both years normally takes students around 18 months.

Start Date

August, September, January

Qualification

HNC

Study Method

Part time (day release)
Part time (evening)

Course Length

37 weeks

Department

Engineering

Entry Requirements

Higher Maths or Physics; Foundation Apprenticeship in any subject area will considered as one Higher; or NC Electrical.

SCQF Level

7

SCQF Points

«SCQFPoints»

Progression Routes
