

Business Strategy, Leadership and Change

Heriot-Watt University

Venues

Edinburgh Campus

Content

Through bespoke courses designed by leading experts in their fields, this MSc degree will help you develop skills in areas including business strategy, leadership, project management, change management, quality management and inventory planning.

You will learn how to critically evaluate the theories, concepts and techniques of business strategy, leadership and change. By applying this knowledge to practical contexts through industry-focused, case-study led learning, you will learn how to develop successful strategies, leadership styles and change management programmes.

Ultimately this masters degree in business will help you understand how to think strategically and manage change. Equipping you with the skills and knowledge to succeed as an entrepreneur or in a range of senior management positions.

You can exit after 21 months with PgDip Business Strategy, Leadership and Change.
