

Business Translation and Interpreting

University of Strathclyde

Content

The translation industry is on the rise with specialist translators being highly sought after.

The integration of business knowledge and translation/interpreting skills will give you a more competitive edge in the job market, opening up a broader range of career opportunities.

The skill-focused and practical nature of the course allows you to gain invaluable industry experience and proficiency in translation and interpreting, which potentially greatly improves your employability.

The lecturers are qualified translators and interpreters with industry experience. The practical translation and interpreting sessions will include industry-based tasks.

Your classes will include: Text Typology & Translation; Professional Interpreting Practice; Translation and Language Technology; Interpreting for Business and Commerce; Business Translation; Translation & Interpreting Studies; and Dissertation/Translation project.

You can exit at the end of 9 months with PgDip Business Translation and Interpreting.
