

Media and Communication

University of Strathclyde

Content

Media & Communication draws on the expertise of Strathclyde's internationally-renowned media and communications academic staff, including experts in strategic communication, media and communication theory, media ethics and mediated populism.

You'll take four core classes covering the theory, history and practice in communication and media, a research skills class and two option classes in communications. You'll also write a 15,000-word dissertation.
