

## Garden Design

Scotland's Rural College (SRUC)

### Venues

Edinburgh Campus  
Glasgow Botanic Gardens

### Content

Throughout the course you will develop the knowledge and skills required to enter the garden design profession. You will gain competence in the wide range of skills needed by practising designers, including communication with clients and other professionals and organising and managing design and construction projects.

You will develop both hands-on horticultural knowledge and refined design skills, including graphics, surveying and planting design.

Example modules: Design Process and Composition in the Landscape; Landscape Graphics; Designing Gardens; Planting Design; Fundamentals of Landscape Surveying.
