

## Chemistry with Education

University of the West of Scotland

### Venues

Ayr Campus  
Paisley Campus

### Content

The BSc (Hons) Chemistry with Education will provide you with both the extensive theoretical knowledge and practical skills in chemistry and professional skills through work-based learning to ensure you are fully equipped to meet the demands of being a Chemistry teacher in secondary (high) school.

The overall aim of the course is to allow you to develop the knowledge and skills required to teach Chemistry at Secondary School level. You will study Chemistry to Honours level, and will also develop your teaching skills in years 3 and 4 by taking modules in Education.

On successful completion of the course you will have met the Standard for Provisional Registration, and thus be eligible to apply for provisional registration with the General Teaching Council for Scotland (GTCS) and entry to the Teacher Induction Scheme as a secondary school teacher of Chemistry with Science. Your depth of knowledge across a broad range of topics will support the teaching of senior phase courses up to SQA Advanced Higher (or GCSE A-level) level.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

BSc Hons

### UCAS Code

CE10

### Course Length

4 years

## Faculty

School of Computing, Engineering and Physical Science

## Department

Physical and Chemical Sciences

## Entry Requirements

2023 entry requirements

Standard entry:

4 Highers at ABBB including Chemistry plus Maths and English at National 5.

Entry to year 2 may be possible with 3 Advanced Highers at CCC including Chemistry plus English and Maths at National 5.

Widening access entry:

4 Highers at BBBB including Chemistry plus English and Maths at National 5.

## SCQF Level

10
