

Advanced Nursing Practice - Health Visiting

Robert Gordon University

Content

If you are an experienced registered Nurse or Midwife looking to develop a higher level of knowledge and skills required for specialist and advanced practice, then this course is for you. It will equip you with contemporary knowledge to take forward the rapidly changing healthcare agenda, and make a positive difference.

Health Visiting:

This route is for Nurses and Midwives who wish to build on their experience and transfer learning to develop a higher level of knowledge and skills required of a Health Visitor. You need to be sponsored or supported by an NHS Board in order to meet the requirements of the Nursing and Midwifery Council (NMC) for practice assessment.

You can exit after Stage 1 with PgCert Advanced Nursing Practice - Health Visiting.

You can exit after Stage 2 with PgDip Advanced Nursing Practice - Health Visiting.
