Content

This programme offers an unrivalled range of courses that explore Scotland's past across a broad chronological period – from the early medieval period to contemporary developments – and Scotland's place in a comparative and global context. The examination of Scotland's past has been at the centre of history teaching at the University of Edinburgh since the prestigious Sir William Fraser Chair of Scottish History and Palaeography was established in 1901.

You'll have access to some of the most impressive archival collections in the UK, both within the University and nearby. Taught by one of the largest groups of specialist Scottish historians found at any UK university, Edinburgh's Scottish History programme is world leading.
