

Finance and Real Estate (does not include CFA examination)

University of Aberdeen

Venues

Old Aberdeen Campus

Content

Combining the study of two complementary subject areas with leading industry accreditations and professional training ensures students graduate as industry-ready - and are highly sought-after by employers all over the world.

Designed to extend your capability and range in all financial aspects of real estate and property development, this Master's offers a particular focus on commercial property valuation and investment and the study of international real estate markets.

Several key strengths include: your degree that is accredited by the Royal Institution of Chartered Surveyors (RICS).

Your degree is recognised by the well-respected Investment Property Forum (IPF) to add further allure to your CV.

We support your understanding of finance in practice with access to a market-leading financial database.
