

Teaching of English to Speakers of Other Languages (TESOL)

University of the West of Scotland

Venues

Paisley Campus

Content

This course will be equip you with the relevant, practical teaching and English language skills as well as the confidence and citizenship skills that you will gain from developing language learnt in situ.

You will be supported, throughout, in considering the role of language in a global context and the associated benefits for citizens, nationally and internationally, as developing linguists; that is, how to enhance both your own prospects and those of your prospective students in a global context.

The course is offered on a full-time or part-time basis and is aimed at those who intend to work as TESOL professionals, teaching English at home or abroad.
