

## Musicology

University of Glasgow

### Venues

Gilmorehill Campus

### Content

The MMus in Musicology provides students with intensive study in current trends in Musicology at advanced level. The programme combines a broad base in musicological research, including theoretical and methodological approaches from the historiography, analysis, sociology and cultural and critical study of music, with the possibility of specialising in fields such as Popular Music Studies, Screen Music Studies, Historically Informed Performance Practice (scholarly approaches only) and Sonic Arts Aesthetics and Criticism.
