Motherwell Campus

Content

This course is for those who are enthusiastic about working as part of a team to support the learning and development of young children.

You will undertake a range of subjects which will help you to understand how children develop and the impact that this has on their learning. It is an integrated course of both theory and practice. A placement is an essential part of the course and this will be planned in consultation with you.

Study will include Child Development: Theory; Services for Children and Young People; Child development; Supporting children's rights and entitlements; Supporting children with additional support needs; Play in early education and childcare.

You will be required to attend a minimum of 35 days work placement.

Start Date

August

Qualification

NC

Study Method

Full time
