

Cosca Certificate in Counselling Skills

Perth College UHI

Venues

Main Campus

Content

You can study one or more of the 4 modules that make up the certificate course. The course is designed to be delivered module by module, on a part-time basis that suits the busy lifestyles of the students. You will study a range of theoretical and practical topics designed to enhance your personal and professional development which are underpinned by an understanding of counselling theory. This completed course provides a COSCA certificated 120 training programme in counselling skills. The emphasis is on utilising experiential learning and provides an excellent starting point for those who wish to train as a counsellor or psychotherapist. The modules include beginnings, advanced communication skills, exploration and expansion, review and reflection and integration.
