Preparation for Further Education/Employability (Levels 3 and 4)

West Lothian College

Content

Assisted programmes courses support students with additional support needs to reach their goals; whether this is preparation for volunteering, employment or further study. For school leavers, assisted programmes courses can provide the next step from school to becoming more independent, through a less formal environment.

You will have a range of opportunities to work with others both in college and also with external groups. The goals of the Preparation for Further Education/Employment course is to prepare you for your next step and we will work with you on an individualised basis where possible to plan your learning journey.?
