

Preparation for Further Education/Employability

West Lothian College

Content

Preparation for Further Education/Employment has an emphasis on progression within College or into employment. You will be supported to obtain all the information you need to make an informed choice. The course will include sessions with other key agencies, including, Skills Development Scotland, employers, external support agencies and college staff from vocational areas.

You will spend time working in college on your skills that will help you progress on your pathway and gain certificated units needed for the world of work or further study.

You will work with your colleagues on projects that will develop your skills in communication, information and communications technology, digital communication and social issues.

Staff will support you to develop personally and make choices on your next steps and sign post you to key partners to enable your progress.
