

Floristry (City and Guilds) Award Level 1

Glasgow Clyde College

Venues

Langside Campus

Content

The course is aimed at those seeking employment in floristry but who have no prior experience.

This is a City and Guilds qualification; the units cover a range of practical designs for weddings, funerals and gift arrangements. These are constructed by hand tying, wiring or constructed in floral foam, a range of which will be gift-wrapped. You will learn how to identify a range of flowers and foliage in common commercial use and how to care for them, condition them ready for sale.
