

Access to Health and Biological Sciences (SWAP)

Glasgow Clyde College

Venues

Cardonald Campus

Content

Access to Health and Biological Sciences is run in partnership with the Scottish Wider Access Programme (SWAP) and is designed for adults who have been away from education, typically for two years or more. The course will introduce you to a range of science subjects to develop the skills, knowledge and understanding required for application to the first year of a university degree programme or HNC course at SCQF Level 7.

Subjects include: Biology (up to Higher level); Chemistry (up to Higher level); Maths (National 5); Physics (up to Higher level); Communications; Information Technology.

Assessment will be continuous with a mixture of practical and theoretical assessments. There is no final examination.
