

Health and Social Care (Level 5)

North East Scotland College

Venues

Fraserburgh Campus

Content

This course will provide students with a firm understanding of the expectations and values involved in health and social care roles. The course introduces a variety of care professions across statutory, voluntary and private settings. This will enable a better understanding of complexities of delivering effective care to a variety of service users.

Applicants should enjoy diverse group interaction and be mature enough to work on their own initiative. We look for individuals who are enthusiastic with a positive attitude to learning and can show commitment to this year-long course.
