Computing

Borders College

Venues

Galashiels/Scottish Borders Campus

Content

The HNC Computing award is designed to offer candidates academic and technician training leading to the skills necessary to design, implement and support IT systems in a vast range of industries.

The candidates will develop a range of contemporary vocational skills relating to the use and support of IT systems.

Some of the units included cover topics such as Team Working in Computing, Troubleshooting Computer Problems, Developing Software and Professionalism and Ethics in Computing.
