

Landscaping

Borders College

Venues

Newtown St Boswells Campus

Content

This course allows learners to demonstrate competence in their particular area of work. It covers areas such as co-ordinating the planting of crops or plants, the management of planted areas, promoting health, safety and security, managing resources, and identifying and naming plants using their botanical names.

Designed in partnership with the Sector Skills Council Lantra, this SVQ gives learners an internationally recognised qualification that guarantees they have the skills, knowledge and abilities to carry out their role successfully.

Core Skills for working in the land-based industry may be a timetabled part of this course.
