Access to Childhood Practice (SWAP)

Ayrshire College

Venues

Kilmarnock Campus

Content

This course is designed to provide you with a comprehensive understanding of Early Learning and Childcare. You will learn about legislation, National documentation and theories that guide our daily practice. Throughout the course you will develop valuable qualities and skills including using reflective practice. Holistic development will be explored in-depth along with factors which may influence and impact this. Initiatives such as Bookbug and Peep are introduced during this course, and you will discover how to lead and support children's learning through practical play experiences with the local community.

This course will develop your skills and knowledge in the following areas:

Development of children and young people in an education setting; Supporting language, literacy and numeracy; Protecting and supporting children's rights; and, Providing an inclusive curriculum in childhood practice.

Start Date

August

Qualification
