

Lifeskills (Level 3)

Dumfries and Galloway College

Venues

Dumfries Campus

Content

The purpose of this course is to develop skills that will support you for life and develop your skills towards the world of work. It is an ideal programme if you are looking to develop skills to promote independent living.

Pathway opportunities include employment support or further self-development and Meta skills development.

You will develop personal and employability skills through a variety of topics and will be given support to develop your confidence in becoming more independent, and develop an individualised personal learning and support plan to meet your personal needs and aspirations.

Working with others is one area that is emphasised throughout this programme and is embedded in a variety of learning activities, projects, and themes.
