

Creative Industries: Radio (2nd year entry)

City of Glasgow College

Venues

City Campus

Content

This course builds on the skills you developed in the HNC. The focus is still on programme making, but goes beyond radio and develops a more sophisticated skillset – technical, production and creative. This course is an excellent opportunity for you to study and train for a career in radio production, with excellent career opportunities and progression routes.

The course is delivered by highly qualified lecturers who have a wealth of experience within the radio industry and have well-established industry contacts.
