

Applied Bioscience

Robert Gordon University

Content

Year 1:

Biology for Life Sciences; Applied Microbiology; Chemistry for Life Sciences; Practical Skills for Life Sciences; Biomolecular Science; Ecology and Ecosystems.

Year 2:

Vertebrate Anatomy and Physiology; Principles of Pharmacology; Bioanalysis; Biochemistry; Genetics and Molecular Biology; Plant Biology.

Year 3:

Public Health; Advanced Microbiology; Bioinformatics; Toxicology and Environmental Analysis; Current Trends in Biosciences; Medical Microbiology; Bioscience and Society; Quality Assurance and Regulations for Industry.

Year 4:

Biotechnology and Synthetic Biology; Research Methods; Omics Technologies; Biosciences Honours Research Project.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

B9B9

Course Length

4 years

Department

School of Pharmacy and Life Sciences

Entry Requirements

2021 entry requirements:

4 Highers at BBCC (BCC or CCCC for widening access entry) including Biology or Human Biology plus one other science subject. National 5 English, Maths and Chemistry at B are required (if not held at Higher).

SCQF Level

10

Address

Garthdee House
Garthdee Road
Aberdeen
AB10 7QB
