

Professional Education and Physics (in conjunction with the University of Stirling)

Heriot-Watt University

Venues

Edinburgh Campus

Content

The BSc Hons in Physics and Professional Education is a 4-year programme of study that is designed for students who wish to pursue a career in Physics teaching at secondary school level.

In collaboration with the University of Stirling, the programme combines core elements of Physics, covering subjects such as dynamics, electromagnetic fields and optics, the quantum world of subatomic particles, alongside participation in our full Initial Teacher Education programme.

Students on this programme follow the well-established Professional Education path at Stirling and attend Physics lectures and laboratories at Heriot-Watt's Edinburgh campus.

This is an ideal option for students with aspirations of becoming a Physics Secondary School Teacher.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

F3X3

Course Length

4 years

Faculty

School of Engineering and Physical Sciences

Department

STEM Teacher Training

Entry Requirements

2020 entry requirements:

4 Highers at ABBB (first sitting) or AABB (two sittings) including English and Physics plus Maths or Applications of Maths at National 5 at B.

You will require a satisfactory criminal record check from Disclosure Scotland to show that you are suitable for this type of course. Contact Disclosure Scotland for details on the type you would need

SCQF Level

10

Address

Edinburgh
