Content

H24H 74 ESOL for Everyday Life

The general aim of this Unit is to develop the language skills needed for everyday life in familiar personal, social and transactional contexts for learners whose first language is not English. Learners develop the skills of reading, writing, listening, and speaking, using straightforward English language.

H24L 74 ESOL in Context

The general aim of this Unit is to develop the language skills needed for familiar work- and study-related contexts for learners whose first language is not English. Learners develop the skills of reading, writing, listening, and speaking, using straightforward English language. In this Unit, the contexts of either work or study will be personalised to meet the needs of learners.
