Content

The BA (Hons) History and Sociology covers a range of approaches, from thematic modules that cover a variety of places and historical periods, to concentrated and in-depth studies of the development, structure, and functioning of human society.

Over two-thirds of the research conducted by the Centre for History was rated at 4* and 3*, indicating 'world-leading' or 'internationally excellent', in the latest assessment of UK university research quality.

The impact of our research on the broader economy and society was ranked joint 8th, higher than Oxford, Cambridge and Edinburgh. We are also the highest ranked new History department in the UK.

Special features:

The joint honours degree in two complementary subjects will give you greater flexibility in employment, advanced study and research opportunities; The degree can be studied full time or part time to suit your personal circumstances; You can study individual modules for personal or professional development.
